Remarks

This beautiful home on the River Raisin is truly breathtaking, with no detail overlooked. Featuring gorgeous wood floors, a beautifully updated chef's kitchen with stainless appliances, custom woodwork, and exceptional craftsmanship throughout. Enjoy incredible river views and professionally landscaped grounds complete with multiple decks and patios-perfect for relaxing or entertaining. Recent upgrades include new water heater, basement carpeting, black chain link fence, and new roofs on both the house and garage. See attached improvement sheet for a complete list of updates.
